About Miss Cambodia Wichita

The Miss Cambodia Committee hopes to create a platform for young Cambodian women to be able to compete in the Miss Wichita Asian Festival Pageant and serve the Cambodian community through various community projects. This pageant is an opportunity for young Cambodian-American women to earn scholarships that assist with future educational and business endeavors. Additionally, we hope to grow the pageant in the years to come, as it wouldn't be possible without the help and donated time of all the volunteers, patrons, and sponsors.

Awards

Your donations and contributions could help supply the scholarships that the contestants receive at the end of the pageant. The winner of the Miss Cambodia Wichita Pageant will then move on to compete in the Miss Wichita Asian Festival Pageant with the potential of heading to Miss Kansas if crowned.
